

VaaS-t Powered by Polycom® and Polycom Debut™

For 25 Years Polycom has delivered market-leading quality, support and innovation

The announcement of the Debut™, the bespoke low-cost, high-quality video conferencing system for small meeting rooms, Polycom has continued that tradition.

In their latest exclusive announcement Debut™ can be subscribed to Polycom's® Video Service, VaaS-t® Powered by Polycom® for free.

Simply buy a Polycom Debut™ (Polycom part code 7230-69487-102) and get 1 year subscription, 1 year Polycom® Partner warranty and a 10 x Enterprise User Licence Plan trial for 30 days completely free of charge. This package is worth over **£2800**. Now you can buy this for just **£1333** (list price exc. VAT)

What Does Subscription Give Me?

There is no multi-point capability with the subscription. However this is a must for any video endpoint not already associated with a Polycom® Infrastructure solution.

- Super-fast endpoint set-up. Just plug in the cables and you're ready to go. No need for expensive installation.
- The Debut™ is protected behind the security features on VaaS-t® Powered by Polycom® protecting your endpoint from unsolicited calls
- Subscribed endpoints become contacts in your VaaS-t® Powered by Polycom® directory allowing direct calls to-and-from your Debut™.

FAQs

What is the Enterprise User Licence Plan?

This is the element of the service that provides multi-point calling capability.

This plan allows you to give 25-seat video meeting rooms to members of your team. You can connect to each room from a standard meeting room video conferencing system, your browser, your PC, iPad, iPhone, Android device, Skype for Business or from your telephone as an audio-only participant. The plan allows you to access to the VaaS-t® Powered by Polycom® portal allowing you to administrate your accounts, set security parameters and download Polycom® RealPresence® Desktop for Free.

What if I want to subscribe for longer than one year?

No problem. We can offer you an additional 2 years of subscription for just **£220** per year (list price, exc. VAT).
